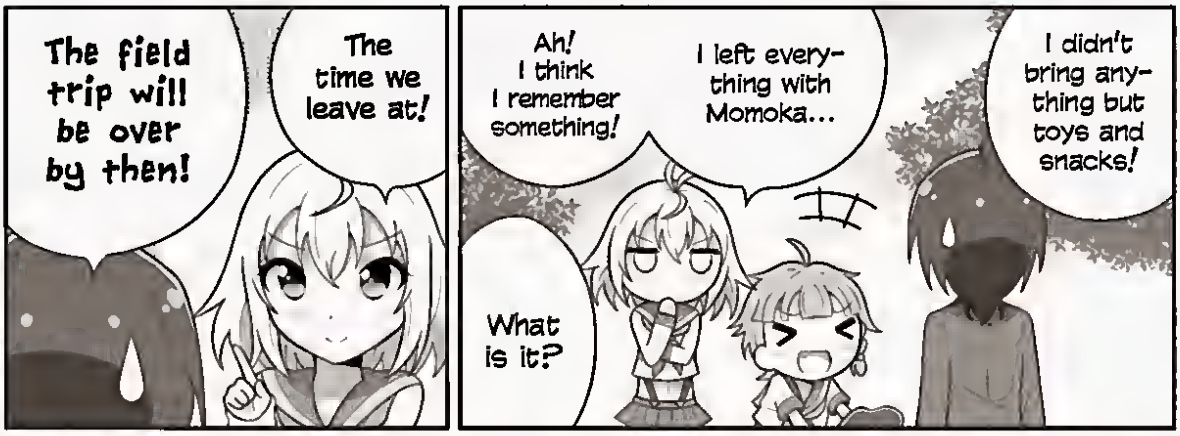
I wonder if Momoka and the rest are okay.
Where were they going next? Do you have a guidebook?
Ahhh, I was so excited last night that I couldn't sleep!
Before I knew it, I was passed out on the side of the road-!



The time we leave at!
The field trip will be over by then!
I left everything with Momoka...
Ah! I think I remember something!
What is it?
I didn't bring anything but toys and snacks!
